

Tiago EV

Tata

Tata Tiago EV

Basics

The Tata Tiago EV is currently the cheapest EV on sale in India. It is also the only electric car that is below the 10 lakh price bracket in India. The Tiago EV is 4 lakhs costlier than the petrol Tiago EV. Tiago EV 's will be delivered to the customers from January 2023. Tiago EV aims to offer everything that the cars at that price offer without making it expensive.
