Tata Tigor

Basics

The Tata Tigor is the only sedan in the portfolio of Tata Motors. Tigor also has an electric version and a commercial electric version as well. The Tigor like all other Tata cars is a safe car and received a 4 star crash safety rating from Global NCAP. Tata Tigor is based on the hatchback Tata Tiago. People have different opinions on the looks of Tigor in the rear end. It gets the same engine options as the Tata Tiago.
