MUSIC FROM THE SOUL

ABOUT ME

Born in New York and moving to Atlanta as a mid-teen, RPG Shad embodies the best of both worlds. He's an extremely diverse artist with a very unique sound. From the get-go he realized that he wanted to be an entertainer, his first project "Spaced Out" was genuinely a fascinating piece of music. His Jamaican heritage and eclectic taste in music help him create a crude and genuine sound. In 2020, he amassed over 200k streams. His top three songs are; "Wipeout" a fun island themed summer tune currently has 230k streams, it is clear to see how much fans adore this upcoming artist. His second most popular song is "For Real" a ultra-vibing club banger with a total of 42k streams. His third top song is "Dreaming", it is a dark ballad and was inspired by the death of his mother.
