

## **CURRICULUM VITAE**

**Carl T. Chenoweth, P.E.**  
*Civil Engineering Consultant*  
409 Garfield Street  
Stoughton, WI 53589

**Toll Free:** (800)-644-1549  
**Office:** (608)-444-9893  
**Website:** [www.siteworkdefects.com](http://www.siteworkdefects.com)  
**Email:** [ctchenoweth@siteworkdefects.com](mailto:ctchenoweth@siteworkdefects.com)

### **AREA OF EXPERTISE:**

Over 40 years of experience as a Civil/Construction Engineer in the planning, engineering and construction quality assurance of residential, commercial, industrial building site development and infrastructure maintenance projects. I have extensive engineering and construction expertise in identifying and resolving defective earthwork/grading methods, storm water drainage and erosion control practices, concrete driveway and sidewalk installations; asphalt pavement and parking lot maintenance; water and sewer utility infrastructure construction.

### **EDUCATION:**

Bachelor of Science Civil Engineering - 1975  
Structural/Construction Engineering  
Purdue University  
West Lafayette, Indiana

Master of Business Administration - 2004  
Management/Quality Assurance  
Edgewood College  
Madison, Wisconsin

### **REGISTRATIONS/CERTIFICATIONS:**

Professional Engineering Registration  
State of Wisconsin      State of Illinois  
State of Minnesota

ATC 45 – Building Safety Inspector Certification  
“Wind-Storm/Flood Damage Assessments”

### **PROFESSIONAL ASSOCIATIONS:**

American Society of Civil Engineers  
ASCE - Construction Institute  
ASCE – Committee on Forensic Investigations  
North American Stormwater & Erosion Control Association - Wisconsin

## **PROFESSIONAL EXPERIENCE:**

### **2018-PRESENT:**

Principal Civil Engineer/Consultant providing professional engineering services involving forensic engineering, litigation support and expert opinion testimony related to defective residential and commercial building site design, construction and maintenance practices associated with land and building site development.

### **2010-2018:**

Senior Civil Engineer for Resource Engineering Associates; performing project planning & engineering functions relating to building site improvements; stormwater management and soil erosion control practices; along with construction quality assurance on a variety of agriculture, residential/commercial and industrial site development projects throughout the upper Midwest

### **2005-2010:**

Civil Engineer Manager for Ruedebusch Development & Construction; performing project development & engineering functions relating to building site design and storm water management practices on commercial/industrial site development projects throughout Wisconsin, Illinois, Indiana, Iowa and Minnesota

### **1997- 2002:**

Construction Contract Administrator for Potter Lawson Architects; performing A/E design coordination, project scheduling, cost control and contract claims resolution on Public/Private Institutional projects throughout Wisconsin. Projects include the WI Supermax Prison facility; Edgewood College Predolin Arts facility; multiply facility upgrades and renovations for the Sparta School District.

### **1985-1997:**

Civil/Construction Engineering Consultant (Owner's Representative) performing program/construction management and quality assurance functions on the construction on the Dane County Regional Airport Terminal/Parking Facility; multi-year Regional Healthcare Facility Renovation project located in Madison, WI and the development of a County Courthouse and Correctional Facility in Walworth County, Wisconsin.

### **1975-1985:**

Resident Civil Engineer performing construction engineering and quality assurance functions on various Highway/Bridge/Utility Infrastructure projects throughout City of Chicago and Northern Illinois.
