

SkinMap client information/consent

- Only submit if you have [booked an appointment](#)
- I need a new one for each appointment, for repeat bookings too
- Confidential and not shared or used for any purpose other than your session (s) and aggregated business analysis
- Under GDPR I can only retain personally identifiable info as long as it remains relevant
- As it is consent for intimate touch, I need to comply with legal requirements regarding retention
- Use same email address as used for booking (double-check you have spelt it correctly here)
- If you find the form is associated with an existing Google account and you want anonymity, open an Incognito window and paste in this address
- If you don't want to submit this online, [print and complete 2 copies](#) and bring along
