

SkinMap client information/consent

- Only submit if you have booked an appointment
- I need a new one for each appointment, for repeat bookings too
- Confidential and not shared or used for any purpose other than your session (s) and aggregated business analysis
- Under GDPR I can only retain personally identifiable info as long as it remains relevant.
- As it is consent for intimate touch, I need to comply with legal requirements regarding retention
- Use same email address as used for booking (double-check you have spelt it correctly here)
- If you find the form is associated with an existing Google account and you want anonymity, open an Incognito window and paste in this address
- If you don't want to submit this online, print and complete 2 copies and bring along

Your <u>erotic blue-print</u> (what arouses you?) *
Energetic: Environment, anticipation and tease. Need time to assimilate to sexual touch
Sensual: Aroused by sensation such as touch, sound, taste, smell, temperature, pain etc
Sexual: Ready to get down to having sex most of the time
Taboo: Acts or fantasies outside of your familiar zone
Shape-shifter: Move between all above - need equally adventurous lover(s)!
