

IMPORTANT NOTICE
FIRE SYSTEM TEST & INSPECTION

Date: _____

To: All Tenants

Delta Fire & Security, Inc. has been contracted to perform the Title 19 (California Code of Regulations), inspection on the fire system.

The inspections are **mandated** by the local Fire Department, in accordance with local and state laws to meet National Fire Protection Association standards (NFPA 72). The purpose of the inspection is to ensure, in the event of a fire, all fire safety systems are functioning properly. Please note any alarm system problems associated with the test could cause delays.

ALL TENANTS MUST MAKE THEIR UNITS AVAILABLE FOR INSPECTION

Entry into each unit to complete this inspection may be necessary.

In order to complete the inspection, Delta Fire & Security, Inc. and its associates may need **access into your unit to inspect the fire systems**. During the inspection, fire alarms will be sounding at high levels throughout the building (individual units, common areas, halls, stairwells, and garage) until every unit has been inspected.

The inspection is scheduled for:

_____, _____
From _____ - _____

This will be the only opportunity to comply with this mandatory inspection. We must have your full cooperation for this important inspection.

If there are any special needs pertaining to your unit (e.g., language, elderly person, or disability of any kind), please contact management to discuss your needs.

We would like to thank you for your cooperation and understanding with regards to this mandatory inspection.

If you have any questions please feel free to contact property management.
