# WELCOME MESSAGE

---

**Cameron Hurley**  
Director

Hi, my name is Cameron Hurley, and I lead the team at HCES. Whether you're in a pinch or require extensive electrical work, our professional electricians are here to help. HCES, excels in domestic, commercial, and industrial electrical projects. Contact us today for top-notch service you can trust! Based in Wangaratta area, our services extend throughout North East Victoria, including Milawa, Beechworth, Myrtleford, Benalla and the entire Ovens and Kings valleys.

At HCES, we believe every job — big or small — deserves the same level of focus and dedication. From new builds and renovations to maintenance, fault finding, and emergency callouts, we bring the same level of passion and precision to every task. Safety, efficiency, and compliance is always front of mind.

We love what we do, and we love getting to know the people we work with. So give us a call — we're more than happy to sit down, have a chat, and tailor our services to meet your specific needs. Let's power your next project together.

# ABOUT COMPANY

**HCES is your trusted electrical contractors, servicing wangaratta and surrounds, providing expert electrical solutions for homes, businesses, and industrial facilities across the region. With over 15 years of combined experience, our team takes pride in delivering reliable, high-quality workmanship that meets — and often exceeds — client expectations.**

**We're a small, dedicated team that values honesty, attention to detail, and strong communication. What sets us apart is our commitment to building long-term relationships with our clients. Whether it's a one-off job or an ongoing partnership, we approach every project with professionalism and care.**

---

At HCES, we specialise in a wide range of electrical services, covering domestic, commercial, and industrial projects. Whether it's wiring a new home, upgrading systems in a commercial space, or handling complex installations in industrial facilities, our team brings experience, precision, and a problem-solving mindset to every job. We understand that every client and project is unique, which is why we're always ready to find tailored solutions that meet your specific electrical needs — no matter the size or scope.

# OUR RANGES

---

# MEET THE TEAM

## Cameron Hurley

### Director/Electrician

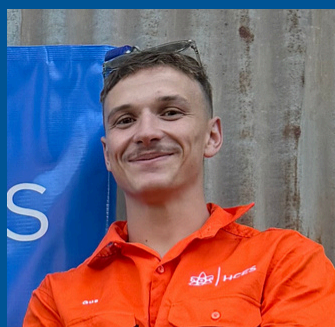

Founder. Director. A-Grade Electrician. Problem Solver. Cameron Hurley wears many hats at HCES — and wears them well. As the founder and driving force behind the company, Cameron is not only on the tools as a highly skilled A-Grade electrician, but also oversees day-to-day operations, project management, and client relations. His hands-on leadership style and dedication to quality workmanship have laid the foundation for HCES's reputation across North East Victoria. Whether it's quoting a job, mentoring apprentices, or wiring up a site, Cameron's passion for the trade and commitment to his clients are at the heart of everything HCES stands for.

## Gus Sirianni

### Electrician

Gus is our go-to A-Grade electrician and a key asset to the HCES team. With a wide-ranging skill set and a problem-solving mindset, there's no job too complex for him to tackle. His technical knowledge, attention to detail, and steady approach make him an invaluable part of the HCES team. We rely on Gus to uphold the highest standards of workmanship — and he delivers, time and time again.

## Abbey Wason

### Electrician

Abbey is our 4th year apprentice and a standout team member who continues to impress with her determination and work ethic. She's making great strides in the electrical trade, consistently showing initiative, a willingness to learn, and a genuine passion for the job. Abbey takes pride in her work, always striving for high standards and a job well done. As she nears the completion of her apprenticeship, Abbey is proving herself to be a skilled and reliable technician with a bright future ahead in the industry.

## Tahlia Mathews-Vincent

### Admin/Accounts

Tahlia is the newest member of the HCES team, stepping into the vital role of administration and office coordination. From day one, she's shown strong potential, quickly picking up systems and processes while bringing a fresh energy to the team. As the backbone of our day-to-day operations, Tahlia plays a key part in keeping things running smoothly — from scheduling and client communication to supporting our field team with the resources they need. Her enthusiasm, organisation, and eagerness to grow make her a valuable addition to HCES, and we're excited to have her on board as we continue to expand.

# THE COMPANY CORE VALUES

1. CUSTOMER FOCUSED - We pride ourselves on not only our first impressions, but our lasting impressions too. Being customer focused means putting our clients at the heart of everything we do—from the very first interaction to the continued support that follows. We approach every relationship with professionalism, treating our customers with the respect they deserve and communicating with honesty at every step.

2. RESULTS DRIVEN - We thrive on achieving measurable results that keep your projects moving and your sites energised. We're committed to seeing every task through to completion, ensuring that our solutions are safe, efficient, and built to last. Your success is our ultimate result.

3. RELIABLE/DEPENDABLE - When the lights go out or the machinery grinds to a halt, you need a team you can trust to get things back on track. At HCES, reliability is at the heart of everything we do. We show up on time, every time, and deliver solutions that stand the test of time.

4. ACCOUNTABLE - At HCES, our workmanship is second to none—and we fully back it.

Every project we complete reflects our commitment to quality, precision, and durability. If our workmanship fails to meet your expectations over time, we guarantee to make it right. That's our promise to you—because we don't just build, we take responsibility for everything we do.

5. INNOVATIVE - At HCES, innovation means pushing boundaries and turning bold ideas into smarter solutions. We embrace curiosity, new technologies, and creative thinking to stay ahead and deliver real value. Our forward-focused mindset keeps us adaptable, efficient, and ready to meet the evolving needs of our clients and communities.

# WHY CHOOSE HCES

---

## Let us tell you why!

- Experienced, Versatile Team

Led by founder Cameron Hurley and supported by a skilled crew, HCES brings extensive experience across domestic, commercial, and industrial electrical work — with the confidence and capability to tackle any job, big or small.

- Commitment to Quality and Compliance

Whether it's detailed switchboard upgrades, CCTV installations, smart home systems, or mandatory testing (RCDs, test & tag, emergency lighting), HCES delivers work that not only meets but exceeds industry standards, with a strong focus on safety and long-term performance.

- Customer-First Approach

We pride ourselves on building lasting relationships with clients through clear communication, honest advice, and dependable service. We take the time to understand your needs and tailor solutions that work for you.

- Reliable Maintenance & Support

With a dedicated admin lead keeping operations running smoothly and a proactive maintenance team, you can rely on HCES for timely service, efficient scheduling, and responsive support whenever needed.

- Skilled, Growing Workforce

Our whole team are up-and-coming talent who reflects our investment in high standards and the future of the trade. We're a close-knit crew committed to continual learning, development, and delivering outstanding results.

Had a hotplate that would not turn off for a renter.  
HCES were there within 15 minutes to correct the problem. Thank you for the very prompt and efficient service and for leaving the property clean and tidy.  
Wonderful to see a female electrician on the team for all the ladies who prefer female tradies - HCES is the team to hire. 🙌🏻
