## Important information related to COVID – 19

The Region III Workforce Investment Board of Kanawha County wants to ensure that our staff and customers health and well being is being protected during our national pandemic related to COVID – 19.

We are following “The President’s Coronavirus Guidelines for America” to ensure we slow the spread and protect our most vulnerable citizens; however, we will continue to serve our participants and employers to the best of our ability remotely via telephone and internet.

Effective Monday, March 23<sup>rd</sup> until further notice, our Workforce Innovation and Opportunity Act (WIOA) staff will be working remotely to ensure that clients who are enrolled in programs will continue to receive services. WorkforceWV office at 1321 Plaza East is closed to the public and offering online services to individuals. We will take into consideration, that many training facilities are also closed and new enrollments will be delayed while the country responds to this national emergency. In all cases, we will continue to be in touch with participants, workforce partners, service providers and stakeholders of our federal and state employment and training programs.

You may continue to reach staff at their work numbers, as phones will be forwarded to home/cell phones and messages will be retrieved. Email and website access will be the primary means of communication. See listing below.

[NDaugherty@region3wibkc.org](mailto:NDaugherty@region3wibkc.org) Executive Director

[Afarley@region3wibkc.org](mailto:Afarley@region3wibkc.org) Program Manager, EO and Youth Coordinator
