## Sherman Campus Updates

### Drop-off and Dismissal

- We ask families to follow the plan to pick up and take their children to the Sherman campus to ensure the safety of all students and to ensure a smooth delivery and collection. Here is the link to review the plan:
  - [Sherman drop off and pick up plan](#)
- We are establishing an efficient and safe way to drop off students every morning on the Sherman campus. This has been achieved thanks to the valuable collaboration of Nommi and the school safety patrol, thank you very much Nommi!
- Sherman dismissal needs parent volunteers to help drive traffic. **If you are available to help for 15 or 20 minutes** please contact Beatriz: [beatriz.ferrer@ousd.org](mailto:beatriz.ferrer@ousd.org).

### Wednesday at Maxwell

- We remind you that on Wednesdays we are at the Maxwell campus.
- As on the Sherman campus, we also offer pre-school care on Wednesdays at Sherman in the cafeteria from 7:30 to 8:10.
- 4th and 5th grade students must exit through the garden gate below. To the left of the main door.

## Section 2: PTSA News

### Celebrations!

#### Beat the Heat

- Thanks to the PTSA and Grow MLA, we were able to purchase floor fans for each MLA classroom. Thank you!

#### Bus Passes

- Thanks to the hard work of Padres Unidos, we were able to raise \$491 to help families purchase bus passes to get to and from school every morning from just ONE DAY of a fundraiser. Thank you!

## Communications Update

### Talking Points

- We are having challenges uploading TalkingPoints for every parent of every student. As of now, TalkingPoints is only loading the account for the PRIMARY CONTACT in a child's Aeries (registration) account. In other words -- most families will only have access to TalkingPoints on one phone number.
- We are working with TalkingPoints to remedy this problem ASAP.

## Fundraising Update

### Cada Familia

- [\*\*Click here to donate and learn more about Cada Familia\*\*](#)

  3. Classroom supplies for our students and teachers
  4. Field trips to expand students' learning
  5. Learning apps
  6. Library books
  7. And much, much more!
- **5 is the magic number!** We are asking each family that is not currently giving to start at the \$5 per month level. If you are already donating, THANK YOU! Might you be able to increase your giving by \$5?
