

WANT TO INCREASE EMPLOYEE ENGAGEMENT? JOIN US!

Attend a two-day Management 3.0 Foundations workshop to become an agile manager to take your team to the next level!

EVENT TITLE: Management 3.0 workshop
DATE: Feb 16-17 (Sat-Sun)
LOCATION: Room 1102, Workingberg Commercial Bldg, 41-47 Marble Road, North Point, HK
<https://agilizing.com>
Registration: <https://bit.ly/2RNW35s>

Management 3.0 Workshops are a great to interact with other learners to discuss shared challenges and to learn how to implement practices and games that increase team motivation as soon as you get back to the office!

Join tens of thousands of attendees worldwide in having fun and working together to change the future of work!

Event is facilitated by Paul Kok
Paul has 25+ years technology working experience in various positions:

- agile & digital transformation
- employment engagement & HR people operations,
- leadership coaching,
- portfolio, program & project management,
- service management

The Management 3.0 Foundation Workshop covers theoretical and practical agile management, with a strong focus on tools that you can use directly after attending the workshop. It was created for software development but has been adopted by all sorts of agile teams around the world.
