

Agile Coaching (ICP – ACC)

ICA Agile

Advanced level

Duration: 3 days

**Delivery: Remote /
In-person**

Looking for agile coaching skill enhancement? This is the training designed just for you.

ICA Agile Agile Coaching (ICP-ACC) is a 3-day global industry recognized certification workshop focuses on the mindset, roles, skills and responsibilities of an Agile Coach.

You will be able to differentiate between mentoring, facilitating, consulting, teaching and coaching, and will gain the skills needed to create a safe environment for meaningful collaboration and healthy conflict resolution within an Agile team. This certification introduces participants to team development concepts around starting and growing teams while paying particular attention to team dynamics and the surrounding organizational system. A key part of this certification focuses on developing an understanding of the Professional Coaching skill set and the value of honing these skills to serve individuals on an Agile team.
