

# Business Agility Fundamentals (ICP-BAF)

ICAgile

**Advanced level**

**Duration: 2 days**

**Delivery: Remote /**

**In-person**

The ICAgile Certified Professional in Business Agility Foundations (ICP-BAF) is intended to jump-start the organizational and individual transformation towards a more responsive, value-driven reality.

This certification workshop explores the mindset, approaches, and skills demanded in today's dynamic and fast moving world – a world where change is constant, disruption expected, and team work is a competitive advantage. This workshop goes beyond the realms of Agile software development. Agile techniques are transferrable, it aims at improving business agility rather than software development.

ICP-BAF certified individuals will be prepared to gear an Agile practice towards customer satisfaction and continuous improvement.
