WANT TO LEAD AND BUILD AN EFFECTIVE TEAM?
LEARN THE LATEST FRAMEWORK WITH US - FLEXIBLY AT YOUR OWN PACE!

In the modern rapidly changing world, a manager needs to do the right thing for your team, getting everyone involved in improving the system by fostering employee engagement with the right environment.

Learn the future of management, **Management 3.0** with us, so you will know how to analyze the system to come up with the right solutions for **better leadership** across organizations.

Two reasons why you should take Management 3.0 workshops with us

1. The workshops are led by **well qualified and experienced coaches**. With Agilizing, you only learn from IT professionals who have applied the latest skills in agile and digital transformation.

2. You can learn in a **flexible modular** manner at your own pace. So fit the learning with your schedule flexibly.
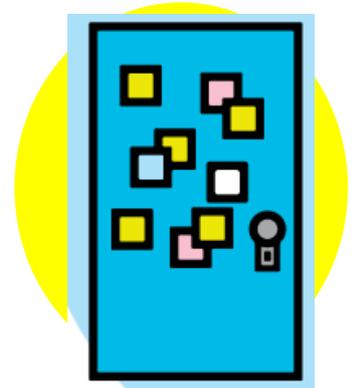

We democratize professional certification trainings by linking passionate learners with credible trainers directly, resulting in cost effective learning for everyone !!

Come and join our weekday evening modules in flexible way. Simply pick the module(s) you are interested in and experience the excitement of learning Management 3.0 either in person or online learning at a time that suits you: real-time, instructor-led with fun and impact

Flexible Modular Workshop:
1. Leadership and Management, M3.0 Principles
2. Complexity Thinking
3. Energize People - Motivation and Engagement
4. Empower Teams - Delegation and Empowerment
5. Align Constraints - Values and Culture;
6. Develop Competence - Learning and Competencies
7. Grow Structure - Scaling Organizational Structure & improve Everything - Success and Failure

FLEXIBILITY THAT SUITS YOU
The whole learning is made up of 2.5 hours modules.

Once you have completed all 7 modules, you will get a Management 3.0 Certificate.Note: for those who want to be a licensed facilitator in Management 3.0, you need to attend the in-person training instead. Contact us for next available dates.
