

**PRINCE2 AGILE®**  
ACCREDITED TRAINING ORGANIZATION  
PeopleCert ON BEHALF OF AXELOS

**PRINCE2 Agile® Foundation is the introduction level of PRINCE2 Agile Practitioner.**

## PRINCE2 Agile® Foundation Certification

### What is PRINCE2 Agile® Foundation?

As a globally recognized methodology of project management, PRINCE2 Agile® combines the well-established management controls under PRINCE2 with broad toolset of agile delivery techniques and frameworks. It gives you the knowledge and skills to deliver projects that meet customer requirements in the fast-paced world today.

### Who is PRINCE2 Agile® Foundation for?

PRINCE2 Agile® Foundation has been developed for anyone who delivers projects, large or small, in an agile context. **No pre-requisite is required.** It is a highly valuable certification scheme for anyone working within an agile project environment : as a project manager, project support or part of the wider project team.

### How can a PRINCE2 Agile® Foundation Certification benefit you?

- The certification will help you to:
- Understand PRINCE2 governance requirements clearly and comprehensively
  - Gain a broad range of knowledge of agile concepts and techniques including Scrum, Kanban, Lean Start-up and Cynefin
  - Explore the interface between PRINCE2 and agile ways of working.

### What is the exam format of the foundation certification?

- Objective testing
- One-hour multiple-choice paper
- 50 questions with a pass mark of 55%
- Closed book exam.
