

IT AIN'T MUCH (Anthony Version)

EXT. Grass Field - Day

The Player watches as Anthony uses a washboard and a mix of Laundry Detergent and water to wash his clothes.

ANTHONY

Y'know, I kinda forgot that you could even DO laundry by hand. Where would I be without you, huh?

The Player looks away from Anthony, seeing the washboard and the container of laundry detergent and water between them, before looking at Anthony again.

ANTHONY

You know, maybe our journey to find a working washer wasn't just about cleaning laundry, but about the friends we made on the way.

Anthony smiles at the Player, satisfied that he finally got to clean his laundry with his friend by his side.

ANTHONY

Anyways, should we order some food? I'm starving.

EXT. Grass Field - Day

The Player watches as Audrey uses a washboard and a mix of Laundry Detergent and water to wash her clothes.

AUDREY

It's been a while since I've washed clothes by hand, but honestly, we've had quite the adventure today. I don't think I'm going to forget today, how about you?

The Player shakes their head up and down, agreeing with her, before looking away from Audrey. The player looks at the washboard, the container of laundry detergent, and water between them, before looking at Audrey again.

AUDREY

I agree. Even though finding a washer would've made my day, it's been pretty nice besides overall.

Audrey smiles at the Player, satisfied that she finally got to help her friend clean their laundry.
