From the Director's Desk

From the Directors desk,

As I sit here trying to compose an informative letter, I am looking out of the window at blue skies, and 70 degree weather during the first of.....February? This stirs the juices to want to fire up the RV and get to the road again. I am sure that many of you, and the chapters, are already enjoying their campouts together, and with this nice weather, that is as it should be.

Before we know it, the annual Rally will be upon us. We already had an initial Rally staff meeting in an effort to bring all things together and to entertain changes, which benefit all the attendees. We are still in need of energetic people who want to help us and volunteer some of their time to make the Rally a success. We are in need of people to help head the following:

- 1.) Indoor Games: Hand-N-Foot, Pinochle, Mexican Train Dominoes, and Bingo
- 2.) Outdoor Games: Bocce Ball, Bean-bag Baseball, and the Blind Driver Contest
- 3.) Theme & Pet Parades

All of the above are very easy jobs. Sign-up lists are, and will, be in place. Rules will be posted. So, when the time for the game begins, the volunteer in charge only needs to go over the rules with the contestants, and then let them play. When the game is over, collect any supplies, and the game results, and provide to the Director. Time that is expended will be estimated as 2 hours or less. Make it fun and keep it easy. Please, do not be bashful, just contact me, or your Assistant Director, and let us know that you, or a chapter, want to help. You can do it with a friend as a helper, too.

Of course, we still need volunteers to sign-up to assist in areas such as at the check-in station, attendee rig parking, and other areas as listed on the registration form. If you are a volunteer, we ask that you arrive on

Wednesday so that you will be introduced to the head of the area for which you volunteered. The one benefit that all volunteers will receive is a dinner that will be hosted on Wednesday evening to show our appreciation.

Sadly, one of the contemplated changes to the Rally will be the elimination of the carnival. It has been poorly staffed by chapters with games and/or food, and also poorly attended by our Rally attendees. As its replacement, we would like to see a chapter 'Food Court'. Any of the chapters can offer any variety of food of their choosing for sale. This is a great opportunity for the chapters to earn a profit to benefit their treasuries, or charity. This will also serve as an opportunity for the chapters to mingle and have great camaraderie with other attendees. I am asking the chapters to participate in this new venture as it will be advantageous to the chapter as well as the Rally. A win-win for all. If your chapter decides to be involved, please contact me, or your Assistant Direc-

tor, and let us know what your food choice will be. Be creative, the greater variety of food, all the better.

As most of you know, we have redesigned our website, [**norcalgoodsam.org**](http://norcalgoodsam.org), and if you have not visited the site, I encourage you to do so. It is still a work in progress, but we are almost where we want it to be. We have added to each chapter, their officers list. I have asked the chapter Presidents to submit a short bio about their chapter, campout schedules, and photos of chapter members during, and engaged, in their outings. A few chapters have already complied with this request, some have remitted partial requests, yet others have not responded at all. Remember, this is a great way in which to get your chapter known, and to possibly grow by having prospective members look at your chapter information. I am proud to say that in the partial first month of December, when the website was first up and running, that we had over 1500 visitors reviewing the information.

Director's Letter

The month of January had over 2000 visitors. Some, I am sure, are current chapter members, however, I am certain that a good number of that total were new to the site, and checking us out. Please get your requested chapter information to me, or your Assistant Director, and we will see that it is posted ASAP.

Finally, as mentioned before, we will be in need of a new NorCal State Director by the end of this year. Nominations need to be made beginning in May. Elections will be held in October, Director taking office on January 1st, 2019. I feel confident that we have many people in NorCal with leadership qualities and that out of this pool that we will have some candidates that will step forward and want to take over the reins of our great organization. As I have said before, I will make myself totally available to assist this person to make a smooth transition into this important position. It is essential that we have a State Director, because we cannot continue to operate as the

NorCal Good Sam organization without one. Therefore, we will go dormant with State Committee Meetings, the Rally, and any other events, until we can get a new State Director. However, this does not mean that it will affect the chapters and their operations, as they can continue with business as usual. It only affects NorCal.

I want to take this opportunity to thank Mary Martin for stepping to the plate by filling in as our State Treasurer. She has acted in this capacity in an admirable fashion. When you see Mary please convey your "thank you" to her to show your appreciation of her efforts. Ken Brown was elected as our new State Treasurer during the September SCM, and will be inaugurated during the April SCM, although he has already accepted his duties as of, and beginning on, January 1, 2018. Ken is a very capable, conscientious, and trustworthy person, and I feel very confident that he will be an asset to our organization.

Director's Letter cont'd...

As most of you know, Sharon Murray, is our new State Editor, and has been doing a great job. In her efforts to provide a good and informative Tel-A-Sam, she can only do so with input from the chapters. I ask that you try and cooperate with Sharon's requests for chapter activity information, so she can provide us with the best publication that she can.

Make your plans as a chapter, or as an individual, (couple), to attend this year's Rally. Make it a chapter outing. It promises to be better than ever, and it is there for your enjoyment. Please consider being involved in the activities and being in costume for the theme parade. Participation makes for a more enjoyable experience, so get ready and, "Let's go to the Hop!"

Chapter Chatter

Lazy Daisy Sams

In November the Lazy Daisy Sams ventured to Casa de Fruta where trail bosses Don and Sandy Stern organized a fun outing which included a delicious turkey dinner to get everyone ready for Thanksgiving.

December took us to Flag City RV Resort. Trail boss Dave Cowan cooked an outstanding spaghetti sauce for our Friday dinner. He and wife Koppy scheduled several fun activities including making and flying paper airplanes, crafting cork ornaments and having a white elephant gift exchange. They certainly kept us busy.

In January we headed to a new location for our group, Heritage RV Park in Corning. Homer and Barbara Hoglund were trail bosses. We had heard lots of good things about their updated club house and facilities and we were not disappointed. Most of us arrived on Thursday to take advantage of "half off" Senior Night Buffet at Rolling Hills Casino.

We were honored to have Assistant Director Walt Weight and his wife Cricket join us on this outing. We were thankful for their insight and helpful ideas in our efforts to increase our chapter membership. Of course we also enjoy their friendship and camaraderie.

Donna Kaehms led a craft project which used toilet paper rolls to make designs that could be hung on walls. The big event of the outing was Saturday night, "The Battle of the Spouses". Barbara first asked the ladies and gentlemen to write down answers to questions about their spouse and then she read the questions to the spouses to see how many correct answers they got. Some of the answers were hilarious. Patty/Mickey along with Donna/John tied for most correct answers and the gentlemen barely beat out the ladies.

Our Chapter is always open to new members. If you are interested in going to monthly outings with friendly people, good food and fun activities, we would like to invite you to join us at an outing. If you are interested, please call or email Homer & Barbara at (510) 223-8847 (bjhoglund@sbcglobal.net) or Bob & Janice at (925) 551-8315 (janicelillard@msn.net)

San Jose Blackjacks

Greetings, this is my first official submission on behalf of the San Jose Black Jacks, so here goes...

First, who are we? Well, we are a great bunch of fun and caring folks who share the love of RVing. We come from all over really, most from San Jose and the surrounding cities but as far south as Gilroy. We have several couples from Modesto area and south, the Tri-Valley, and even one couple from Shell Knob, Mo. We currently boast 28 rigs and enjoy about 75% attendance each month. People have asked if we are called the Black Jacks because we like to gamble. The answer is yes and no! Yes, most of us like to gamble but, the name was chosen way back 30+ years ago. Because we were the 21st club to join the NorCal Chapter of Good Sam, the founding campers choose the name Black Jacks (I am just glad they didn't pick Craps or Slots, those are terrible names for a club).

We meet the first weekend of each month and even if we tend to visit the same parks, the adventure is always new. From our Friday "finger food frenzy" to Saturday's potluck brunch and dinner, we have so much fun and fellowship. It seems like Sunday's breakfast comes way too fast and bam! The weekend is over. With full bellies and fond memories, we look forward to our next outing.

We were lucky to have Pat and Doug Kreitz host "Christmas in Hawaii" in December at Beta-bel RV Park. They went all out on decorations plus a Luau Dinner, Mai Tai's, and even a white elephant gift exchange. Saturday we all gathered to wrap gifts we had purchased through donations for a family in need. What a blessing to be able to give back when possible.

San Jose Blackjacks cont...

January brought out the cowboys and cowgirls in all of us. Kathy and Ron Cockrum hosted a western themed weekend at Flag City RV. It was complete with a Chuck Wagon Dinner where we all dressed the part, what a hoot it was!

February had the Black Jacks seeing Hearts. Marie Lindberg and Roger Fellows hosted a sweeeeet weekend at Jackson Rancheria. With beautiful decorations including candy and flowers on every table and pink everywhere it was a sweetheart of a weekend. I am not sure anyone won any money, but fun was had by all and the weather was gorgeous.

March will find us in Chowchilla hosted by Rose and Rudy Lago. We are all looking forward to a beautiful weekend and even some good golf for some.

This year will see many happy couples celebrating anniversaries. This group can brag about 50+ years: Joe and Beverly Vierra - 51 years, Paul and Elaine Jae - 53 years, Bill and Sandie Hersh - 55 years, Jim and Kathy Smith - 57 years, Rudy and Rose Lago - 58 years, Joe and Stella Passarello - 58 years and Ron and Pat Gerard - 60 years. That's a whopping 392 years from just 7 families. This proves that couples who play together, stay together!

Happy and safe traveling to all!

Gold Nugget Sams Club

Gold Nugget Sams chapter of Nor Cal Good Sam Club has just finished up the 2017 camping season with a Christmas Luncheon at Waterloo Gun and Bocce club in Stockton, California. Our annual luncheons in December are always fun filled where we are able to get together and have fun, eat and share many memories of the past year. We had 29 chapter members and 2 past chapter members in attendance to share the great times. We were all very surprised when low and behold a surprise visitor showed up, none other than Santa and Mrs. Claus. Members were able to sit on Santa's lap and relay what their wish is for Christmas while we all engaged in a gift exchange. WE are very proud to announce that Amy Moore has been selected as the "Volunteer of the Year" for NorCal Good Sam Club. Now we look forward to a busy camp out schedule for 2018.
