CHAPTER GROUP PARKING

Chapter group parking will be accomplished by early notification, three weeks in advance. After that time, it will be on a first come, first served basis. We will make every effort to park chapter rigs together, however configuration of the resort has limitations. **We recommend all chapter registrations be sent in together so you all get parked together.** Please advise of chapter name, number of rigs, rig type and size, ASAP, when making notification. If you have not asked to be parked as a chapter, and you wish to park together, we suggest that you have your chapter gather together outside the resort area, and then enter the resort in a caravan style.
