Lil's Thrift Shop

A message from Lil's

In our tiny mountain town of Lake Lure, Lil's Thrift Shop is a space where animal lovers make a real difference. It's where wildly generous people donate household goods and money, thrifting geniuses know where to find the best treasures, and (but wait, there's more!) everyone gets to save! How? Thanks to your contributions, our nonprofit partners are able to save the lives of cats and dogs.

In fact, 100% of our net proceeds go to these dedicated animal champions in Rutherford County, NC: Community Pet Center, Heart of the Foothills, Pets Are Worth Saving (PAWS), Rutherford Co. Humane Society, and Southern Paws Animal Rescue (SPAR). They all work tirelessly to ensure animals have the health, homes, and happiness they deserve.

Lil's Thrift Shop is staffed entirely by volunteers, and we take great pride in the impact Lil's has had on animals and on our community. Of course, we couldn't do it without our partners and "pawsome" people like you!

A year with unique challenges

Our October 2023 remodel set the stage for an exciting start to 2024. Thanks to your encouragement and support, we ended 2023 with our most successful year ever—gaining more awareness, increasing Facebook traffic, welcoming more volunteers, and

seeing higher sales and donations. One visitor even called us “the friendliest, cleanest, and best thrift shop” she had ever been to!

Building on that momentum, 2024 was shaping up to exceed all expectations. By August, we had already surpassed the record-breaking income of the previous year.

Then, in September, our small town was hit by Hurricane Helene, causing widespread devastation across Western NC. Many of our neighbors, including some of our volunteers, lost nearly everything. While the road to recovery may be long, the people of Western NC are strong, and Lil's stands with our community as we face this challenge together.

As soon as power was restored after the storm, our volunteers sprang into action without hesitation. We transformed the shop into a temporary distribution center, offering free furniture, household goods, and basic necessities (including food for animals) to those who had been displaced.

Since our nonprofit partners were receiving lots of help for immediate animal needs, they encouraged us to focus on families, some of whom were struggling to care for their pets in the aftermath of the storm. In response, we repurposed our annex into a Christmas Pop-Up Shop, where we raised over \$15,000 for the Hickory Nut Gorge Outreach. This local nonprofit has been providing food and emergency financial assistance to families in Lake Lure, Chimney Rock, and surrounding counties since 2010. They were incredibly grateful for the funds we raised on behalf of the Lil's community.
