Re: Rezoning of approximately 410 acres at and around Hunting Hawk Golf Club, consisting of Hanover County, Virginia ("County") GPINs 7748-17-7689 (portion), 7748-16-3588, 7748-15-3959, 7748-05-8840, 7748-06-1173, 77478-35-0648, 7748-14-8237 (portion), 7748-03-4941, and 7738-73-1213 (collectively, the "Property")

Dear Neighbors:

We are excited to inform you that Loch Levan Land Limited Partnership, a Virginia limited partnership ("Loch Levan") is interested in developing a master planned technology park at the Property identified above. In order to facilitate this development, Loch Levan will need to rezone the Property to allow for this particular use. This technology park will contain various buildings that will house the equipment and infrastructure that supports the technologies we rely on in our daily lives. Additionally, this technology park will bolster the County's commercial economy and commercial tax revenue.

Given the rural nature of this part of the County, Loch Levan wants to ensure that its development works well with the surrounding community. Among other considerations, Loch Levan has taken care to limit the building height within the technology park as to reduce visual impacts to its neighbors. Additionally, Loch Levan has provided extensive buffers along the perimeter of the Property. In particular, Loch Levan's request for the Property includes the following mitigation measures:

1. A 200' wide buffer along Ashland Road to preserve the rural character of that road.
2. A minimum of 100' wide buffer along the perimeter of the Property, with the majority of that buffer being at least 150' wide to screen adjacent properties from the use.
3. A requirement limiting building height to 62'.
4. A requirement that no building be within 150' of the project's perimeter boundary line, with that requirement being increased to 200' along Ashland Road.

We also want to let you know that four zoning applications were submitted to the County. These applications are needed in order to permit the creation of a master planned technology park on the Property. The applications include: (i) a Rezoning application to rezone the Property from A-1 to M-1, (ii) a Special Exception application to allow for an exception to the height limitations within the M-1 zoning district, (iii) a Conditional Use Permit application for accessory uses facilitating the master planned technology park; and (iv) a Comprehensive Plan amendment to amend the County's Land Use designation for the Property from "Suburban Neighborhood Residential" to "Employment Center."

In the meantime, please feel free to reach out to me with any questions for HHHunt.

Sincerely,

Matthew G. Roberts
