15	16	30+	1

- a. Feature Race Points only shall count towards the NSW Outlaw Karts Inc. Season Championship points score.
- b. In 2026 there are nine (9) listed Club Championship rounds and drivers are encouraged to attend all rounds.
 - a. Club Championship standings will be based on points from eight (8) rounds enabling drivers to "drop your worst round". The "drop your worst round" rule is a system used to determine championship standings. This rule allows competitors to drop their worst performance in the series to ensure a fair points distribution.
 - b. The drivers highest points from eight (8) rounds will be used to calculate their overall points.
