

**Alert Iowa is a way for residents to receive alerts for severe weather and emergencies.**

**Choose what type of warnings you prefer to receive alerts for.**

---

**Choose to receive alerts for multiple addresses; register contact information for your family members**

---

**You do not have to live in Clinton County to receive these alerts.**

---

**Register on the website for the highest level of alert customization.**

---

**SIGN UP TODAY FOR**

**Receive urgent county alerts by text message, voice call or email.**

**Register today at:**

[www.clintoncounty-ia.gov/emergency\\_management/alert\\_iowa/](http://www.clintoncounty-ia.gov/emergency_management/alert_iowa/)

**When selecting alerts, consider the following:**

---

**Some alerts may come frequently and during the night; choose accordingly.**

---

**Text alerts are sometimes more reliable than voice calls or emails.**
