

# DR. ALEX SHUTTER DPT TPI CERTIFIED

The Titleist Performance Institute (TPI) screen is a comprehensive movement assessment that identifies mobility, stability, strength, and balance limitations that may be affecting a golfer's swing, performance, or injury risk. The results are used to create targeted exercises that help golfers move more efficiently, swing faster, and stay healthy.

# GOLF ASSESSMENT

Alex has experience working with events on the PGA and LPGA tours. He was just hired to work with LIV golf this winter!

## TPI PRICING

**\$150**

**This includes a full screening that will give you individualized exercises based off of your screen- This is the same screening used on the PGA tour**
