**Quote from Coach Tom Desotell, Sheboygan
North Head Coach for 39 years,**

"Brian Bastil was one of the top players to ever lace them up at Sheboygan North. Despite his size, he was a legendary shooter in the FRVC, making all-conference for 3 years straight and was player of the year his final two years. Known for his 3-point shooting and ball handling skills, he became an all State player his Senior year with his all around play. One of my only 1000 point scorers at Sheboygan North."
