Rev. Azaline Ham Simmons 5/14/2018

Look up to the sky, now tell us what you see.

A cloud, the moon, possibly the sun, many answers there will be. When we look up to the sky, we will tell you what I see. We see our mother and brother, and they are looking back at us. They tell us they didn't want to leave us, but it was time for them to depart. It was the hardest thing they had to do, and it was the hardest thing they had to do. And it was breaking their heart. They tell us we must not be sad, because they all are finally free of pain. They found their place in heaven at the feet of Jesus. They will always be there to guide us when we feel we've lost the way. They are always there to comfort us and wipe those tears away. They will always be there to share our joy and laugh at the jokes we make to feel their presence. Only a little imagination it will take. They may be in the form of a butterfly or simply a floating feather or hovering over like a busy bee or simply part of the weather. For us its not goodbye. If we want to see them, all we must do is look up to the sky.

Love you from Trenita, Shelton, Donovan, Shaunta, Grandchildren Great Grandchildren, Nieces and Nephew

In Memory of Richard Kelly

(March 12, 1956 - August 26, 2018)

You were a man of ambition, integrity, laughter, family, and prayer. You were a leader with an entrepreneurial passion. Your prayers ring in our ears, we hear its truth and promise. "Father, I stretch my hands to Thee. No other help I know. If Thou withdraw Thyself from me, O! whither shall I go?"

The rhythm of our hearts does not quite beat the same since the hour you were called to grace. The love you left lingers; and the impact you made is impressed on our hearts forever. Oh! how we miss you every day. Not one day goes by that we do not pause and think back to our times together. The memories and words of wisdom you spoke we cherish.

Your legacy will live on for generations to come. The sacrifices you made were intentional. The love you gave was unconditional. For that, we are forever grateful. You are our guardian angel who watches over us now. Rest on in your prepared place, you've truly received your, "Well done, good and faithful servant." (Matthew 25:21)

Truly missed and loved always by your Wife Rose "Mary", Daughters Stefanie and Keshia

SEPTEMBER 1, 1941 - JANUARY 18, 2020

Mom, Beloved: In Death you went to be with the Lord; On Earth, you left us behind to miss you more than all the tears can grieve; our hearts are still aching every day. We still long to hear your voice or sit with you for a visit. The memories of you are loving keepsakes from which we will always hold dear as they are the blessings that will carry us through.

God has you in his keeping, and in our hearts you will always be.

Qou were the voice of wisdom and reason.

You walked into a room and made the day brighter for so many people. Your light was dimmed too soon and unexpected — Only God knows why.

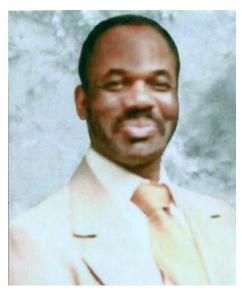

You are embedded forever in our heart.

Your place in heaven gives us great comfort; and reassures us that you are watching over us every day and every night.

Mow, you're a Star among other stars in heaven. We miss the way you laughed, lived, and loved on us; no one could do it better than you. You are missed you so much.

Love your Daughter Sherry and Husband John Mazyck, Jr.
