

Sovereignty Ambassador Toolkit™

Carry the Conversation Home

What is a Sovereignty Ambassador?

A community member willing to introduce the conversation to church leadership.

Your Assignment

Share one question:

What assets, relationships, businesses, skills, property, purchasing power, and influence already exist within our church—and what could happen if we intentionally connected them?

How to Introduce It

Simple script:

Pastor, I attended a presentation at NBL that challenged me to think differently about the role of the Black Church in economic development. Would you be open to a brief conversation about what this could mean for our church?
