

Leadership Discussion Guide

10 Questions Every Church Leadership Team Should Discuss Before 2030

Questions such as:

1. What economic assets already exist inside our congregation?
2. How many entrepreneurs attend our church?
3. How often do we intentionally buy from Black-owned businesses?
4. Could our facility be used during the week to create economic opportunities?
5. What role should AI play in preparing our members for the future economy?
6. What would community ownership look like in our neighborhood?
7. What partnerships are missing?
8. What resources are underutilized?
9. What outcomes would we like to see in five years?
10. What would economic discipleship look like?
