I, **Thomas-Jr: Holt, (agent)** holder of the office of the People in the state known as Illinois or in any other state, am hereby, as a gesture of peace, giving proper notice to the **STATE OF ILLINOIS corporation** and to the **UNITED STATES corporation** and to **all municipal, county, and city corporations**, and all other **STATE CORPORATIONS outside the District of Columbia territory, all local and national BUSINESSES, BANKS and/or other CORPORATIONS** located in other **STATE CORPORATIONS**, all agents, employees, and all other individuals of the following:

As a peaceful natural person desiring to avoid conflict and to live lawfully with all of my freedoms, I am providing you with this **Fee Schedule and Remedy for Protection from Federal / State / County / City / Municipal / Corporation Employees, agents, and individuals** as a courtesy to you and as a remedy should you decide to trespass upon Me or my Family. Failure to know or to obey any and all of your thousands of corporate regulations does not constitute a crime absent a victim, damaged property, or fraud (A.K.A. **corpus delecti**).

It is not my intention to harass, to intimidate, to offend, to conspire, to blackmail, to coerce, or to cause anxiety, alarm, or distress. This document and attachments are presented with honorable and peaceful intentions and are expressly for your benefit to provide you with due process and a good faith opportunity to state a verified claim.

If you should face a jury, you should know that the jury has sworn duty to judge the law and the facts, and the jury can provide just remedy for the People. In every criminal prosecution, it is necessary to establish the "*corpus delecti*" (i.e., the body or elements of the crime).

"The corpus delecti consists of two elements- namely, (1) the injury or loss of harm; and (2) a criminal agency causing them to exist." (*People v. Frey*, 165 Cal. 140, 146 [131 P. 127]. *People v. Lopez*, etc.)

Please note that this self-defense Notice of Fee Schedule and Remedy for Personal Protection from Federal / State / County / City / Municipal / Corporation Employees is just and modest and well below the precedent set by *Trezevant v. City of Tampa* wherein the damages established were \$25,000 for 23 minutes of unlawful arrest. This particular remedy calculates to more than \$1.8 million per day. The above is my Fee Schedule for all trespasses to be considered by a lawful jury of the People. Lawyer fees and other fees (including applicable late fees) are not included in this Fee Schedule.

The United States Supreme Court has stated the following in *U.S. v. Cruikshank* (92 U.S. 542 at 551):

"...between the People of the United States, any resident within any state, or any other national that there need be no conflict between any of them. The powers which one possess, the other does not. They are established for different purposes and have separate jurisdictions. Together, they make one whole and furnish the People of the United States with a complete government, ample for protection of all of their rights at home and abroad. It may sometimes happen that a 'person' is amenable to both jurisdictions for the same act. It is the natural consequence of a citizen which owes allegiance to two sovereignties and claims protection from both."

The citizen cannot complain because he/she has voluntarily submitted themselves to such a form of government. The opinion in this case is 100% correct as long as one is referring to the People of the United States.

Neither I nor anyone from my family is of the UNITED STATES. We are of God, the Almighty Creator.

Let it be clear that a People are not a person, and a person is not a People. True sovereignty is within the People who have all private rights, but citizens, on the other hand, are subjects (by their own

voluntary choice) of the state government and of local and federal government corporations in exchange for privileges and civil rights.

Let it be clear that I am not a person / citizen / employee / subject of any corporation which cannot, under color of law, act as a lawful government. Let it be clear that we have only one Sovereignty, and that Sovereignty is God.

LAW OF NATURE

The Law of Nature is that which God, the Sovereign of the world, has prescribed to man not by any formal promulgation but by the internal dictate of reason alone. It is discovered by a just consideration of the agreeableness of human actions to the nature of Man, and it comprehends all the duties which we owe either to the supreme being, to ourselves, or to our neighbors as reverence to God, self-defense, temperance, honor to our parents, benevolence to all strict adherence to our engagements, gratitude, and the like. In the Constitution for the united States of America, we find the 11th article, Amendment 9: "The enumeration in the Constitution, of certain rights, shall not be
