RoHS Directive 2015/863 (RoHS 3) Restriction of Hazardous Substances Declaration of Compliance

A1 Cables is dedicated to providing high quality cables and hardware that meet environmental regulations through the European Union Directive 2015/863 (RoHS 3).

A1 Cables does not perform chemical analysis on raw material or end products to test for RoHS compliance, but utilizes information provide by our material suppliers. Though our continuing efforts we will strive to ensure full, consistent compliance.

A1 Cables will not be held responsible for misinformation provided by our suppliers to any incidental occurrence of banned substances should they unexpectedly appear. In such cases, A1 Cables will take all reasonable effort to determine the offending source and take corrective actions.

A1 Cables will not be held responsible for RoHS compliance of custom built cables where the customer provides the bill of materials to manufacture such cables.
