Farmers Market Cape Charles Museum 2024

A big shout out to Amanda Dunton for organizing and running the new Cape Charles Museum Farmers Market, held every Saturday from 9:00am to 12:00pm. The Museum is providing the use of our lawn, parking area and restroom for the market. Lots of new vendors every week. Questions about becoming a vendor or other topics can be directed to Amanda Dunton at (757) 678-2352. The

Museum is open from 10-4 on Saturdays.

Caboose steps have been completed

We are proud to share this photo showing the work on the caboose. The steps are now completed and visitors can easily climb up and view the caboose. Eastern Shore Signs made new decals and are here applying them in this photo. You can even check out the Caboose key and go inside during business hours. There are more projects we would like to complete, so we welcome monetary donations. Thanks for your support!

Letter to the Editor Barnes Donation

I received an email reply to the July 11 news blast regarding the wool flag from the steamer Elisha Lee donation. Mary Pope, of Mathews, VA, shared that Capt. Bill Forrest was her Great Uncle and that this particular news blast touched her heart. She would like to get in touch with Bob Barnes so I have forwarded her message to Mr. Barnes` daughter. We are always glad to receive feedback about the newsletters and news blasts. Thank you all for reading and for supporting the Cape Charles Museum. If you would like to make a donation, please click on the flag photo to be taken to PayPal.
