Sears Kit Home Tours Generated Great Attendance

A volunteer at the Museum, Nan Carlton, author and Sears Kit Homes aficionado, organized tours of the Sears Kit Homes in Cape Charles on October 12th. Rosemary Thornton, foremost authority on Sears Kit Homes traveled here to guide the tours. Nan Carlton provided historic research on the residents of the kit homes and donated all proceeds from the tickets sales to the Museum. We want to thank Nan, Rosemary and all the volunteers who gave their time and resources to the

tours. If there is enough interest, she may do it again in the spring. If you have any input on future tours, please email Nan Carlton at mostellercw301@verizon.net
