

# TOBIN LAKE LEISURE

YOUR SUMMER HOME AWAY FROM HOME

Dear Tobin Lake Leisure Resident,

We are so excited to welcome you to Tobin Lake Leisure! Whether you're new or you've been here since day one, we are always excited to see everyone in the Spring! It is our goal to provide you with a relaxing atmosphere where you can enjoy not only exceptional fishing, but also an abundance of recreational activities and amenities to make your summer memorable. If this is your first year at Tobin Lake Leisure, please contact Amy at 306-873-8565 for instructions on having your power connected.

Attached please find your contract for the 2024 camping season. **Please complete all information, sign it and return to us with full payment by April 30th.** Please feel free to make an extra copy to keep for your records. Also included is a copy of the Rules and Regulations. Please read through it carefully as the information is very important. If you have any questions please give us a call.

Although most of you already have purchased a shed, if you haven't & would like one, please indicate so on your contract so that we can have one available for you for at a cost of \$1650 + GST for a total of \$1831.50. If you decide not to renew your contract in the future, the shed must remain on the site and we will refund you 75% of the purchase price.

Although we hit some setbacks last year, Roger has been working hard over the winter to get things finished up & we are on target to have the boat launch operational when fishing opens in May. More information will follow regarding our grand opening event which will take place on the May long weekend. Please be advised that one TLL Seasonal Boat Launch Pass is included in your Seasonal fees. Additional passes will be available at a cost of \$250 per season, \$100 per week and \$25 per day.

During the last camping season, we collected just over \$2400 worth of recyclables. These funds are used for upkeep & additional features at the playground. We will once again be collecting cans and bottles placed in the 2 blue bins between the red garbage bins. At this time, we are only collecting cans and bottles accepted by Sarcen. **No cardboard, plastic, soup cans etc. (please recycle those items at home) In order to continue with the recycling program it is very important that no garbage be placed in the recycling bins & that all cans & bottles be put in large clear bags and tied prior to placing them in the bins. Please rinse out bottles and remove caps prior to bagging them, preferably in large clear bags.** Your contribution to this cause is greatly appreciated and will certainly make a difference in the playground for years to come.

As mentioned in the rules and regulations, parking is not allowed on the streets. If you have a boat or additional vehicles and require storage please indicate on your contract and we will provide you with a key for the secure compound. The cost of using the storage compound for the summer season is \$150 PER UNIT plus \$7.50 GST.

Registered campers are allowed to have overnight guests with one additional tent or RV for a maximum 4-night stay. Advance permission by management is necessary. The fee is \$50 per night plus GST = \$52.50 and is the responsibility of the registered camper. We also have 3 rental sites in the very back row. These are available for rent at the rate of \$65 per night plus GST = \$68.25 and can be booked by calling Amy at 306-873-8565

We still have some seasonal sites available. If you know of anyone who is looking for the perfect spot to spend the summer, please give them our contact info. If they take a site we will deduct \$100 from your 2025 Seasonal rate! So spread the word!!!!
