

Tobin Lake Leisure: A premier camping experience

If you're looking to immerse yourself in the beauty of nature, while not having to compromise on comfort, look no further than Tobin Lake Leisure – winner of the 2024 Best of the Best (BOB) awards for 'Best Campground.'

Owners Amy and Roger Shipley started building the campground in 2011 with 56 sites. Since then, they have redefined the camping experience and now welcome outdoor enthusiasts with 142 fully serviced spacious seasonal campsites with water, sewer and metered power as well as clean and modern washrooms and shower house.

"I like to say it's the only 'all-inclusive' in the province," said Roger.

Campers can also stay connected with high-speed WiFi, allowing you to share your outdoor adventures with friends and family.

"What we've tried to do is build a community and it has really worked. We've got a lot of good people here and many have been tenants since we opened."

Amy added, "It is a totally different atmosphere than just a campground where people rent for the weekend. We have campers and their extended families that have been renting sites for years and we've watched their kids grow up here. It's fun to see how everyone gets to know each other."

There's never a dull moment, whether you enjoy hiking, quadding, birdwatching, swimming, kayaking or fishing. They even offer guided fishing services.

"We offer half day and full day packages and depending on timing we can provide accommodations. We have four guides including myself," said Roger.

"We can't guarantee you'll catch fish, but we can guarantee you'll have a great time."

New for 2024 is the Sunset Ridge boat launch and recreation area, ideally located across the highway adjacent to the campground. This new development is beautifully designed and includes a fillet shack, public washroom, playground and picnic area, adding to the convenience that Tobin Lake Leisure has to offer. Access is included in the seasonal rates for the residents of the campground and ensures easy access to Tobin Lake's pristine waters, opening up a world of aquatic adventures and some of the best fishing in the country.

Tobin Lake Leisure is more than just a campground; it's a community. Make new friends while playing in the horseshoe pits, volleyball courts or large playground. Annual summer events like Canada Day celebrations, a family quad ride, a 'Car Show and Shine' and the annual 'Meet and Greet' with a potluck supper and Drive-Inn movie night are designed to bring families and friends together.

With excellent facilities, amenities and a host of recreational activities, Tobin Lake Leisure truly stands as the epitome of the perfect campground retreat. Book your seasonal site early and embark on a camping experience that goes beyond the ordinary – Tobin Lake Leisure, where every moment is an adventure.
