Marine & Auto

We are Springin' into April! We have FOUR new projects underway and the month has only begun.

We are also working on some partnerships and we cannot wait to release NEWS!

We LOVE to keep everyone from customers to followers who simply enjoy keeping up with actions, in the know. So be sure to follow FB page for daily postings on projects and on our webpage.

You don't want to be the outdated boat in the sea~

This Months Big Hitter

The overload of overloads. This 31' Contender has been with us since JULY of 2020. It has been a long road and we are so thrilled to be working on the final stages!

We would like to thank this customer for all their TRUST, RESPECT, and PATIENCE while we make their dream a reality!

(Customer is anonymous - but you now know who you are)

Special Offer

We all know that the best fishing times are an hour before and an hour after the low and high tides and one hour before and one hour after low tides. But we want to know your preference! Shoot us a pic of you during your best fishing hour and get a chance to be featured on our front page!
