Dear

“Our mission is to serve this community guided by example of Jesus Christ and led by the spirit of God. We actively seek to minister to all.” We are grateful to each and every one of you, for your generosity and commitment to First Presbyterian Church.

With your gifts:

- We contribute to Presbytery's worldwide mission(s)
- We continue to participate in the Summer Backpack Program
- We support local community groups and activities (such as Creative Choices, House of Concern, a local Boy Scout Troop, plus others)
- Our church groups, committees, and congregation members, collectively and individually, greatly donate to improving local issues and needs

Also, because the congregation supported the Property and Maintenance Committee, heat pumps were installed at Eastman Hall and in the Manse. Our buildings are now more energy sustainable and, in the future, heating and cooling expenses will be greatly decreased.

Our church is not a business, but we have operating costs. Our church is responsible for covering electricity, gas, water, internet, salaries and paying off the solar panels loan. Every dollar counts – no gift is too large or too small! Your giving and increased commitment is essential to maintaining our current budget and potential growth.

In celebrating God's abundance, please join in the celebration by filling out the enclosed form and return it by November 10, 2022.

2 Corinthians 9: 6-8 Remember this: Whoever sows sparingly will also reap sparingly, and whoever sows generously will also reap generously.

In God's Mercy,
