History

We are proud to be one of nearly 11,000 congregations who make up the Presbyterian Church (USA), our congregation also enjoys being the longest serving church in the village.

During our 202 years we have ministered from four buildings, been well-led by 28 pastors, hosted historic moments in the women's rights movement and helped establish a liberal arts college.

Having embarked upon our third century of ministry and service, we are confident that our "best" will continue to be found in other similar grand moments. We invite you to browse our website, check out any of the links to our denominational and area websites, and plan to join us for worship.

Drop off the Kids

We provide Nursery care for children 5 and under in conjunction with the main Sunday Service. This allows you as a parent to fully engage in the worship service. If your child is beyond the age of Nursery care, or if you wish to have your children remain in worship, please help yourself to one of the worship bags located on the back of the last pew in the center aisle. There are also worship centers in the Sanctuary. One is located in the last pew on the left with a rocking chair. The other is located up in the church balcony.
