Lucy Margaret Tassin is a graduate of Holy Savior Menard Central High School and has danced for 17 years, including the past five years at Get To The Pointe Ballet Academy. She was also a member of the HSM Emeralds and served as a Golden Eaglette for four years, performing solos and duet routines in competition.

# SENIOR DANCER

## SUMMER INTENSIVE SPOTLIGHT

### Payton Dauzat

We are beyond proud of our Senior Level Dancer, Payton Dauzat!

Payton has been accepted into The Rock School for Dance Education Summer Intensive and Boston Ballet School's Summer Intensive — both highly competitive, nationally recognized programs.

After careful consideration, she has chosen to attend Boston Ballet School this summer! 🙌💙

Boston Ballet's Summer Intensive is consistently ranked among the top programs in the country and is known for its elite faculty, rigorous classical training, and extremely selective acceptance process. Being accepted is an incredible accomplishment in itself — and we could not be more proud.

Payton, your discipline, growth, and dedication continue to raise the bar. Your GTTP family is cheering you on every step of the way!

**Hard work.  
Commitment.  
Excellence.** 🌟

### Camille Hamilton

We are beyond proud to share that Camille attended the NSIA audition and was accepted into multiple prestigious Summer 2026 programs:

- Texas Ballet Theater
- Tulsa Ballet
- BalletMet
- Ballet Arizona
- Sacramento Ballet
- Cincinnati Ballet
- Louisville Ballet
- Milwaukee Ballet

**What an incredible accomplishment!** 🍷

Camille has chosen to accept her invitation to Sacramento Ballet, where she will spend 5 weeks training under Elise and Rhodes Elliott in beautiful Northern California.

The Sacramento Ballet Summer Intensive is designed for serious ballet students and focuses on refining technique, artistic expression, and musicality — preparing well-rounded, classically trained dancers for a professional career.

Camille, your dedication, discipline, and heart for ballet continue to shine. We are so proud of the work you put in every single day. The future is bright! 🌟
