

# Padonia Park Child Centers

**2020-2021**  
**Enrollment Guide**

**PADONIA.com**

### **Infant Program**

As they guide your child through developmental milestones, our infant staff provides a loving and nurturing environment for social and emotional growth. As your child gets older, more skills are added to their daily routine to provide a rich context for accelerated learning.

### **Toddler Program**

Our toddler teachers provide a variety of activities to enhance communication and motor skills through play, music, hands-on activities and outside experiences. Dedicated to a personalized learning environment, we focus on the individual needs of each child.

### **2's Program**

The 2 year old program introduces children to more routine and structure in their daily activities. The curriculum includes the development of language, math, and social skills, as well as the enrichment of gross & fine motor skills.

### **3's Program**

Cognitive, language, and movement milestones are critical components of our 3 year old program. It provides a higher level of learning with a curriculum that enhances social, communication and language skills, including recognizing letters and sounds. The daily lessons also focus on mathematical thinking and problem solving skills.

### **4's Program**

Building a foundation for children continues in Pre-Kindergarten with creating a constructive learning environment. Our Pre-K program is accredited by the Maryland State Department of Education. Our curriculum provides foundational literacy skills, science & mathematical functions, as well as art and creative experiences.

### **Before and After School Program**

We service all elementary schools (K-5), and transportation is provided to Mays' Chapel by Baltimore County Public Schools (BCPS) and to Pinewood Elementary School by Padonia transportation for a nominal charge. We provide homework assistance as well as creative arts and crafts, diverse games and manipulatives, and outdoor time to support the development of the whole child. Open on 10+ days when BCPS closed. Professional days, most holidays & most snow days at no additional charge!

### **PADONIA Summer Camps - Choose from our Traditional Camp, Adventure Camp, iCAMP or participate in them all!**

Our camp enrolls children ages 5-13 with programming that includes swimming and swim lessons, athletics, art, science experiences, as well as field trips and on-site entertainment. We encourage the development of social skills, self-respect and character building, cognitive growth, emotional growth and community living skills. Children ages 9-13 can take part in Adventure Camp, learning about teamwork, self-esteem, self-discipline and safety through target sports, rock climbing, low ropes course including our zipline & more.

**Padonia Park Child Centers is a year-round private preschool on a 30 acre countryside campus, open weekdays from 7:00am to 6:00pm, for Infants through Pre-Kindergarten along with the Before & After School Program. The Center is licensed by the Maryland State Department of Education.**

## **PHILOSOPHY**

Padonia Park Child Centers offers an educational program which is developmentally appropriate for children ages three months through twelve years. We are committed to the following goals:

- Establish & maintain a safe & healthy learning environment.
- Ensure a program that is responsive to the children's social & educational needs.
- Advance the physical and intellectual competence of each child.
- Support social & emotional development, & provide positive guidance for each child.
- Establish positive & meaningful relationships with families.

## **5 PADONIA PRINCIPLES**

- Social & Independent Development
- Literacy & Language
- Math, Science & Technology
- Arts & Creative Thinking
- Healthy Indoor & Outdoor Play

Powered by:  
 **brightwheel**

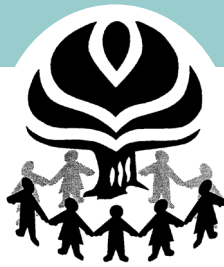

A powerful teacher-to-parent communication tool. Our partnership with Brightwheel was created to enhance the daily child care experience allowing parents to stay connected, receive daily updates and photos.

***"The nurturing teachers go above and beyond with projects, communication and educational development with my daughter." - Amber***

Outdoor play is a very important part of Padonia Park Child Centers for the development of the whole child. By providing opportunities for discovery and exploration in our 30 acre park, our children develop a love for the outdoors and physical activity, while enhancing their gross motor skills, social skills, creativity, and decision-making skills.
