PADONIA

April 29, 2020

Dear PADONIA Community,

We hope you and your family are doing well. Since last summer, we have been very busy preparing for you to enjoy this year, in which we are celebrating our 60th Anniversary. Along with the rest of the world, PADONIA and its community of members and families have all been forced to regroup and adjust our lives and plans during this unprecedented situation. Our hearts go out to anyone who's been impacted. We are truly inspired by the heroic work of all healthcare and essential workers who have been tirelessly working to help all of us. With that being said: We've never needed summer more!

We wanted to reach out and thank you for your patience, as well as update you on how we're adjusting our Club operation this season. We have not stopped in our preparations for your return and want to let you know about our new plans.

We have already made membership plan adjustments for our members who had previously joined starting last November. We want to thank them for their unbelievable understanding and appreciation. It has meant so much to all of us!

Additionally, we plan to open Padonia Park Child Centers as soon as possible and will be sharing more information by email very shortly regarding PADONIA Summer Camps which is scheduled to start on June 22.

During the peak of the summer season, we have over 200 employees here to serve our members, clients, and guests. This includes over 40 year-round employees, as well as over 150 seasonal employees ranging from teachers, retirees, as well as many young adults just joining the workforce. We will need even more staff in specific positions this year to comply with the expected public health guidelines. Our costs to operate the facility have only increased with the new changes you will learn about, in addition to all of the enhancements that we have been making to PADONIA. We will continue to provide our standard offerings, plus the new enhancements that you won't want to miss.

The health and safety of our members, guests and employees has always been our top priority. We will continue to adhere to all executive orders in effect with respect to PADONIA, and we will continue to follow CDC guidelines and recommendations, as well as guidance from government and health experts.

In accordance with the MARYLAND STRONG: Roadmap to Recovery plan presented by Governor Larry Hogan on Friday, we will open certain aspects of our outdoor recreational facilities in May along with carry-out options from The Grille and Windy Valley Farms. Following the lifting of restrictions from the State, we plan to open the pools for the summer season, which we hope and anticipate will happen by the second part of June. To give Members as much benefit of their membership as possible this year, we will EXTEND the pool season through September on Friday evenings, Saturdays, and Sundays.

PADONIA

Here are new updated measures we have implemented:

- New main entrance allowing for safe social distancing and non-contact temperature checks
- New shuttle loading zones including main entrance for transportation throughout the 30 acre property
- The number of memberships allowed this year is now reduced. Capacities for areas of the property including pools will be put in place based on regulations.
- New advanced guest registration to safely ease entry. Please remember, a guest must be with the member for the duration of their visit.
- We are adjusting the event calendar now with new concepts including Drive-In Movie Nights
- The 60th Anniversary PADONIA Reflections: Fireworks Spectacular will now be held on Saturday, September 5
- Hand sanitizing stations
- New large lounge in the Clubhouse with WIFI for "working at home," dining, and more
- Working on Mobile Ordering at The Grille, Windy Valley Farms and The Cabana Bar
- Touchless payment options with credit cards, Apple Pay and Google Pay
- Social distancing markers
- New pool deck lounge furniture layout for social distancing
- New dining area layout for social distancing with additional waitstaff to serve you
- Additional operation of the Barrett Pool & Slides
- Increased cleaning protocols including additional janitorial staff
- Members and guests are advised to wear a face mask and follow all guidance by government and health experts
- Personal protective equipment for employees
- We are working with the Central Maryland Dive League and the Central Maryland Swim League in regards to our Dive Team & Swim Team and will provide an update as soon as possible.

NEW MEMBERSHIP PLAN—LIMITED! AVAILABLE THIS FRIDAY, MAY 1 at 10:00AM

We have created a NEW membership plan for those who have not yet joined, which will become available for online registration this Friday, May 1 at 10:00am.

The **PADONIA Solstice** membership plan will be very limited. Again, we are now limiting the total membership this year, more than in the past.

The PADONIA Solstice membership plan provides full access seven days a week, during operating hours. This plan has the same access as the Diamond membership plan and the PADONIA Plus membership plan, for those that previously registered while those were available earlier this year.

Although this is not anticipated, if we cannot open the pools at all this season, we will transfer the full remaining value to your Member Account for future use valid through September 6, 2021. Contact us for further details.

We appreciate your continued patience as we explored the best possible options to ensure you get the most value out of your 2020 PADONIA membership.

We look forward to seeing you very soon!
