

Corporate/ Individual Sponsorship

Farmer City BMX is celebrating our 37th anniversary in 2025! We are blessed to be a part of so many families' lives. Through fundraising and sponsorships, we have already been able to purchase a new building, a new shed and a privacy fence around our storage area. We would like to improve our track with new clay, a track rebuild and a new surface on the track to minimize time-consuming maintenance.

Why do we want this? THE KIDS!! We would like a safe environment for all kids to play, get outside and exercise. FCBMX offers an environment for friendly competition, a great way for kids to set and achieve goals, build self-esteem and have fun! We love for the kids to enjoy themselves but parents can join too! Kids from 3 – 70+ years old enjoy BMX.

Check out www.farmercitybmx.com for more info. We would appreciate any donation to help towards our track needs. For those companies or individuals who are kind enough to make larger donations, we would like to give back to you in appreciation of your support.
