

BMC GENERATIONS HOMESCHOOL

PROGRAMS & TUITION RATES

At Generations Homeschool, we provide a weekly homeschool enrichment program and monthly field trips for K-12 students. Enroll your student in one or both of our programs today! Rates apply for the **2026–2027** school year.

WEEKLY PROGRAM

Each Tuesday (except for holidays and field trips), parents drop off their students at our campus in Florence. The students will participate in 4 structured classes with their peers as well as a lunch break and assembly time. Classes are engaging and faith-based. Class offerings are listed on the next page.

FIELD TRIP PROGRAM

On the first Tuesday of each month, we host a field trip for students and their families. Admission for enrolled students is covered with your tuition. In fact, we'll also cover the admission of 1 parent for each 2 students enrolled in this program. Additional parent tickets are usually available for purchase at a discount rate.

TUITION RATES

Program Types	Quarterly Tuition
Weekly Program	\$450
Field Trip Program	\$175
Weekly + Field Trips	\$625

Registration: A registration fee of \$20 is due upon enrollment.

We are an ESA approved vendor. Tuition payments can be made through ClassWallet (Vendor: Beth Mayim Chayim)

BMC GENERATIONS HOMESCHOOL

PROGRAMS & TUITION RATES

BIBLE CLASS

Led by Ro'eh Jim, students will play games, study the Bible, and have open discussions to learn G-d's Word and apply to their lives. MS and HS students will learn about having a content heart. Primary students will study from Acts & the Epistles.

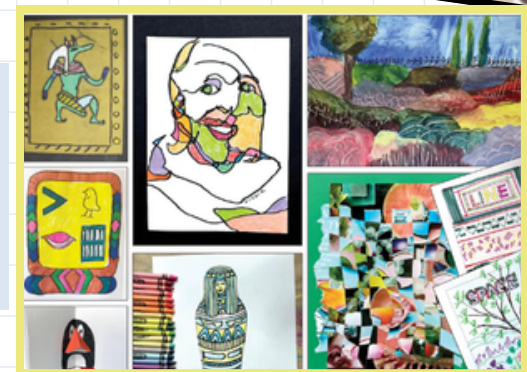

PE CLASS

Physical fitness is important to each student's health and wellness. Students will play cooperative games, engage in aerobic exercises, and learn about nutrition and first aid with Ms. Indra.

ART CLASS

Students will be growing their art skills each week with Ms. Jenn. Primary students will be exploring many different forms of art while MS and HS students will focus on sketching and water color painting.

CAREERS CLASS

Ms. Kati will be preparing students for having successful and fulfilling careers. She'll be introducing the students to all the different fields of careers and trades our modern world has to offer. MS will also be learning financial literacy. HS students will focus on the skills they need to get their first job or apply to higher education.

FIELD TRIPS

Since our school began, our students and their families have enjoyed field trips to over 30 unique locations from Phoenix to Tucson. We have enjoyed zoos, museums, performances, parks, festivals, private tours, and more. Each monthly field trip will be held on the first Tuesday of each month and admission is included with your student's tuition. Bonus field trips will also be offered outside of our normal schedule and budget to provide additional opportunities to students who wish to participate. Catch a sneak peak at some of our field trip locations for the upcoming school year below.
