- Joseph Russo Jr. -

Owner|Dental Laboratory Technician|Crown|Bridge|Prosthetics Specialist

- Hello, I'm Joseph Russo, the proud owner of Russo Dental Laboratory. My journey in the dental field has been fueled by a passion for creating high-quality dental solutions that enhance patient care. With extensive training in effective communication, HIPAA compliance, and infection control, I prioritize both safety and excellence in every restoration we produce.
- As a Dental Laboratory Technician, I have dedicated myself to understanding the intricacies of dental practice, including the prevention of medical errors and the ethical considerations that guide our work. I also have experience in managing medical emergencies and am well-versed in the Florida laws that govern dental laboratories.
- I believe that exceptional dental care starts with a commitment to quality and professionalism. My goal is to ensure that every patient receives the best possible outcomes through the meticulous craftsmanship and attention to detail that define our lab.
- Thank you for considering Russo Dental Laboratory as your partner in dental excellence!

- Julieth Russo -

Lab Coordinator|Quality Control

- With a strong foundation in dental laboratory technology and a passion for precision and patient care, Julieth serves as the Office Manager at Russo Dental Laboratory. Drawing on years of hands-on experience as a dental lab technician, also brings a unique perspective to office operations—bridging the gap between technical excellence and administrative efficiency.
- In this dual-role capacity, Julieth oversees day-to-day office management, client communications, workflow coordination, and quality assurance, ensuring every case runs smoothly from start to finish. Known for their attention to detail and commitment to excellence, we play a key role in maintaining Russo Dental Laboratory's reputation for outstanding craftsmanship and customer service.

- Laurel Russo -

Administrative Office Manager

- We are dedicated to ensuring that our operations run smoothly and efficiently, supporting our mission to provide exceptional dental solutions. With a strong foundation in effective communication and a commitment to compliance, I have pursued continuing education in HIPAA, infection control, and OSHA standards.
- My training includes professional ethics and a comprehensive understanding of Florida laws and regulations governing dental laboratories. I strive to create a positive and productive environment for both our team and our clients, ensuring that every interaction reflects our commitment to quality and professionalism.
- We are passionate about facilitating excellent patient care through organized and efficient administrative practices. Thank you for choosing Russo Dental Laboratory, we look forward to serving you!
