

## INCENTIVES

With a robust Reward & Recognition (R&R) program several Corporates take pride in offering Incentives by way of trips to Star performers like Employees, Trade dealers, Direct Selling or Marketing associates, sometimes with family members.

We never lose sight of the fact that the winner or qualifier has worked really hard – a whole year to earn the coveted Reward of a trip.

A lot of thought is given to the selection of a Destination itself and **SPICE** enjoys getting in at the **'brain storming'** stage itself. Particular attention is given to the sightseeing elements & food, especially Indian !

Several incentive trips have a meeting where the entire group celebrates together e.g. at an Award ceremony interspersed with entertainment acts or culminating into a Gala dinner.

Branding often accompanied with theming makes the whole affair something to look forward to.

Finding the right agencies to provide all that is necessary to create the right ambience and décor, is yet something, we bring to the table as opposed to simply operating a simple Vanilla Trip.

**SPICE** travel has extensive experience of organizing several such trips to almost all the continents and even on Cruise in India & abroad. The list includes :

- SOUTH EAST ASIA : Singapore, Thailand, Malaysia, Bali, just to mention a few
- EUROPE & SCANDINAVIA : North being more frequently visited
- MIDDLE EAST : Dubai, Egypt, Jordan to name a few
- USA & CANADA
- AUSTRALIA & NEW ZEAKLAND
- AFRICA & SOUTH AFRICA
- INDIA & INDIAN SUB-CONTINENT
- On board CRUISE : Ex Singapore, in India and Europe
