Meeting Minutes for February 8, 2018

The regular meeting of the Mid-States Antique Tractor and Engine Club was held on February 8, 2018, at the Memory Lane Museum in Weeping Water, Nebraska. There were 12 members present. The meeting minutes from the November meeting were read and approved. The treasurer’s report was read and approved.

Old Business

Nick talked again about the Nehawka Bar and reiterated his thanks for the door prizes! Nick asked how the Dale Nielsen auction went and the consensus was that it went well. It was stated to make sure to sign in to the Memory Lane Museum guest book as they get credit for every person who signs in and visits the museum for when they apply for grants. Stated once more that the Lions Club is on for the show.

New Business

There was discussion on scholarships. Last year no one applied. The question was to stay with the one \$200 scholarship or offer two to make up for last year. First by Clarence Scholl and second by Mike Drake to offer two scholarships, motion passed.

This year’s schedule

- Memorial Pull - June 3rd.
- Plattsmouth Pull - June 24th or July 1st.
- Show - July 28 and 29.
- Cass County Pull - August 11th.
- Harvest Pull - September 9th.

There was talk of maybe a Nehawka pull, but that is to be determined. The club is open to more tractor pulls.

The LA Case tractor will be the raffle tractor for 2018.

The Farmall H tractor will be the raffle tractor for 2019.

The club was approached by Jill May to see if the club wanted to make a donation to the Elmwood-Murdock School boosters club. First by Jerry Sheehan and second by Ashley Heitman to make a donation of \$50, shirts and tickets to get into the show. Motion Passed.

There was discussion on the Garden Tractor rules change. There was talk about pulling in 1st or 2nd gear. If the rules don't change by the first pull, then the same rules as before, will be followed. The rule changes need to be finalized by the first pull.

The feature this year is Unique/Oddball tractors and Maytag Engines.

The road to the show grounds will be fixed this spring. Water has been washing over the road causing the rock to wash into the show grounds. Cass County's plan is to put in culverts. They were notified when the show is so as to not disrupt anything.

March 18 Highway 63 will be closed and torn out.

First by Clarence Scholl and Second by Dean Laughlin to close the meeting. Motion Passed.

The next meeting will be held at 7pm on Thursday, March 8th, 2018, at the Memory Lane Museum in Weeping Water, Nebraska.

Respectfully submitted,
