Meeting Minutes for April 12, 2018

The regular meeting of the Mid-States Antique Tractor and Engine Club was held on April 12, 2018, at the Memory Lane Museum in Weeping Water, Nebraska. There were 19 members present. The meeting minutes were read and approved. The treasurer’s report was read and approved.

Old Business

Nick Heitman called the Nehawka bar and they said they are down for any event that we do. They will provide food for the two Plattsmouth Pulls.

The Nehawka bar would like to host a tractor pull and maybe do it at the Cass County fairgrounds. Brian from the bar would like to maybe have a band as well.

Jerry Sheehan said we are good to go at the 9 am start time for the pull at the Cass County fair.

Nick Heitman questioned if we should still have a pull at the Cass County fair if we have a pull with the Nehawka Bar. It was then discussed when we would have a pull with the Nehawka Bar. Nick will be in contact with them. Discussion was that it would work best July 7th or 14th.

The club received four scholarship applications and the winners are Miranda Hornung and Max Nordmeyer. Congratulations to them both!

There was more discussion about the Garden Tractor Rules changes. It was discussed to take out the mower deck wordage and to take out the levers and pulleys wordage. There is no need for those devices. This is specific to the lawn stock class. We will need to revisit the verbiage to the new tractor pull rules that were agreed upon at the last meeting. There was discussion that we can't be putting single cylinder garden tractors with twin cylinder garden tractors.

Rock will be delivered soon to the roads at the grounds.

The website has been updated. Ashley Heitman is still working on it so if anyone sees anything that needs to be changed or added to please contact her. She said we can do about anything on it now. Mike Stapp asked if we can list the sponsors on the website. As well he asked if anyone has any ideas for new sponsors.

New Business

Sponsorships are being worked on. The scrap yard in Alvo might be a good new sponsor.

For a work day that is still to be determined. The trees have done well this winter and there aren't a lot of downed branches.

First by Wendell Simonson and second by Brian McConnaughey to close the meeting. Motion passed!

The next meeting will be held at 7pm on Thursday, May 10, 2018 at the show grounds.

Respectfully Submitted,

Andrew Kean, Secretary
