Old Business

The Memorial pull had 64 hooks and we couldn’t have asked for a better day. Thank you for all that came out and participated!

A Nehawka bar update. We still need to determine if the bar will host a tractor pull. Mike Stapp is in contact with the owner of the bar. There was question if the bar will still provide food for both Plattsmouth pulls. Mike will call to confirm that they are providing food.

The work day was a success! Thank you for all that participated. Ashley Heitman stated that there are still some things to do. The scale house needs either repainted or needs to be tined. The Letz corn sheller needs a new wood running gear. It was donated to Mid-States by Elmer Criley. He also helped build the entrance gate.

The Plattsmouth pull is Sunday, June 24, 2018, at 12 noon.

New Business

Ashley Heitman is working on t-shirts, buttons, and flyers for the show.

Carol Boller said that the quilt is ready for the show.

Wheat is turning soon. It may be ready by the fourth of July!

For the show this year we are we are featuring Maytag engines in honor of The Callaways who have been bringing their Maytag collection for 30 years! Nick Heitman and Clarence Scholl talked and it will work to move and demonstrate the heavy equipment on the west side of the grounds. Mike Stapp talked about doing another Cass Gram for the two day show. It was suggested to maybe put up signs in yards to help promote the show.

Church road is now open.

Dave Scholl purchased a pedal tractor for the kiddie pull.

First by Clarence Scholl and Second by Rocco Buethe to adjourn the meeting. Motion passed!

Our next meeting will be at 7pm on Thursday, July 12, 2018 at the show grounds.

Respectfully submitted,

Andrew Kean
