Meeting Minutes for August 9, 2018.

The regular meeting of the Mid-States Antique Tractor and Engine Club was held on August 9, 2018, at the show grounds. There were 26 members present. The meeting minutes were read and approved. The treasurer’s report was read and approved.

New Business

Nick Heitman talked about an overview of the show. It was suggested about the road signs that they be put in so they don’t fall over. There is a tree that is blocking the sign down on Church Road. We will need to get that removed so people can see the sign easier. The question was asked about raising the gate fee from \$2 to \$5. First and second by the Drakes. Motion passed! A big thanks to Clarence Scholl for helping get the track ready because of the rains before the show! Doug Jacobson asked about putting a permanent restroom in on the show grounds. The cost is too high. The golf cart rental went well. Nick asked if the location of the threshing and bailing was good or bad, and there was a response of good! Ashley Heitman said we need to invest in new speakers or wiring. The club will look into it for next year!

Old Business

Doug Jacobson talked about maybe a pull in Elmwood. There was discussion of it being the weekend following Thanksgiving. He will follow up on it later.

There was continued talk about moving the west field over.

There was also talk about maybe doing a plowing demonstration in the fall.

There was discussion about having someone look at the weight and hitch height. The max at 20 inches to avoid the tractors front end from going up. Look at different safety things to make sure everything is good to go.

A big thank you to everyone for the show cleanup on Sunday.

Also a big thanks to those up at the gate for all that they do!

The Callaway’s said they had a very nice show with the feature being Maytag.

Dillon Fagan brought up to the club the idea of having micro mini tractor pulling for next year's show. First by Ashley Heitman and second by Bob Drake to have the Micro mini tractor pulling at next year's show. Motion Passed!

Cass County Pull is Saturday, August 11, 2018.

For the Harvest festival Nick and Ashley will not be there.

For the Plattsmouth Pull the question was posed as to who would run what equipment. We need someone to announce and take money.

There is already advertising things going out to promote the 40th Anniversary Show.

There was discussion of what the feature for next year's show would be. Doug Jacobson suggested a Red vs. Green Show.

First by Mike Drake and Second by Clarence Scholl to adjourn the meeting. Motion passed!

Our next meeting will be held at 7pm on Thursday, September 13, 2018, at the show grounds.

Respectfully Submitted,

Andrew Kean
