Meeting Minutes for October 11, 2018

The regular meeting of the Mid-States Antique Tractor and Engine Club was held on October 11, 2018, at the show grounds. There were 16 members present. The meeting minutes were read and approved. The treasurers report was read and approved.

Old Business

Clarence Scholl asked about why we received back \$114 from the insurance company. It was also asked if we need to have everyone sign a waiver who participates in the show.

Nick Heitman stated that we were rained out a lot this year, so moving the show farther into September is too risky. Because of the rainy weather the Pumpkin Patch and Benefit Pulls did not happen. Ashley Heitman contacted the insurance agency since we only had 3 of the 5 scheduled pulls. The \$114 came back from the insurance agency for not having the Plattsmouth Pull in June. We are still waiting for the refund for the Harvest Festival Pull. With the cancellation of the pulls that has left the bank account low. We hope for a dry spring.

It has been asked that for the holiday party that the members help pay part of the cost for the food. The club on average pays \$700 for the party.

The holiday party will be at the Nehawka Bar. Brian still is the owner/manager of the bar. The party will be on Sunday, November 4, 2018, with happy hour starting at 5 pm and supper starting at 6 pm. With the membership helping with the cost this year it will be about \$10 per person. It was asked if there will be door prizes again. It will be looked into.

New Business

The 2019 raffle tractor will be the Farmall H, still a work in progress. Please contact Dave Scholl if you would like to assist with getting it ready.

Barry Jose has a contact that has an Allis Chalmers WD w/ 3 point and it was asked if the club would like to purchase it and use it as a raffle tractor.

With the show feature being Red/Green Doug Jacobson suggested that the raffle tractor be a red one. There was talk of maybe also including other larger raffle prizes like a pedal tractor or a flywheel engine. If anyone wants to contribute ideas the club would enjoy hearing them.

Jerry will confirm with the memory lane museum for the winter months meetings. The months of February, March, and April would be at the museum.
