### **Meeting Minutes for November 4, 2018**

The regular meeting of the Mid-States Antique Tractor and Engine Club was held on November 4, 2018 at the Nehawka Bar in Nehawka, Nebraska. There were 42 members present. The treasures report was read and approved.

### **Old Business**

The club is still waiting on the insurance refund for the Harvest Pull.

Doug Jacobson talked about how back in August there was discussion about increasing the capacity of our sled. The goal would be to try and bring in newer model tractors. We will look into rebuilding the sled to handle the larger tractors. Nick Heitman talked about how Bev Scholl has a larger sled that can handle the bigger tractors and maybe we could ask her if it could be brought down to use during the show to see if it makes sense to rebuild our sled to accommodate the bigger tractors in the future.

It was suggested that we drop our hitch height to 16 inches from 20 inches. Those are the NAPA Rules.

### **New Business**

Jerry confirmed that the Memory Lane Museum in Weeping Water, Nebraska is open for us to use for the winter months meetings.

Ted Sholtz’s tractor was featured in the Antique Power Magazine. Congratulations to him on his article!

There will be a T-shirt quilt made for the shows raffle again this year. Carol Boller is working on that.

Tank-top T-shirts have been requested to be made.

Clyde Callam and Clarence Scholl took out the old Maple tree stump.

A Plowing day was brought up by Doug Jacobson and it was suggested to maybe do it in the spring.

The food was fantastic! A big thanks to the Nehawka Bar for the nice evening and meal for our Holiday party!

First by Mike Drake and second by Bob Drake to close the meeting. Motion passed!

**Our next meeting will be held Thursday, February 14, 2019, starting at 7pm at the Memory Lane Museum in Weeping Water, Nebraska.**

Respectfully Submitted,

Andrew Kean
