**Show Kick-off Friday, July 30 with Tractor Ride @ 5pm**

#### **Meeting Minutes March 11, 2021**

The regular meeting of the Mid-States Antique Tractor and Engine club was held March 11, 2021, at Memory Lane Museum in Weeping Water, with 20 members present. The treasurer’s report was read and approved.

#### **Old Business**

This year’s raffle tractor will be an AC WD-45. Doug is working on the tractor. He needs a set of matching rear tires. He has one of each of the following, so just needs one to make a set. 14.9 x 28, either 23° or 45°. If you have one that is in good shape, and willing to donate, please let Doug know. Dave Scholl provided front tires and Rocco a fender.

There was continued discussion on modification to the big sled to be able to add weight for heavier tractors. It was made mention to add a bar to be able to add suitcase weights when needed.

**New Business**

Doug made a motion to up to add weight classes up to 8,500lbs. The new classes will be 7,000lbs and 8,000lbs King of the Hill, and 7,500lbs and 8,500lbs Classic and Late Model. Also, the Late Model class will be extended to the year 1969. The rules of 1st gear only will continue to be an effect as well as low side only. Mike seconded. All in favor.

Tentative Schedule for Pulls this summer: Memorial Pull, Sunday, June 6 @ 12 noon on the showgrounds; Mid-States Show July 31-August 1

Josh Weise is working on some possible pulls in southeast Nebraska. More details to come.

There will be a tractor ride to kick off our annual show this year. It will be on Friday, July 30. Drivers meeting at 4:45 and leave showgrounds at 5:00 pm. Tentative route will go north into Ashland, circle through town, back out to Parkers for dinner, and then back to the showgrounds.

There is currently no water on the grounds. We will need to fix the hydrant by the baker's fan when weather cooperates.

Wendell made a motion to adjourn. Mike seconded motion. All in favor.

**The April meeting will be Thursday, April 8, 2021, 7 pm at Memory Lane Museum in Weeping Water.**

Respectfully submitted,  
Nick Heitman, Secretary
